I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNDOF FOR THE PERIOD 1 JUNE 1989 TO 31 MAY 1990

A. Period from 1 June to 30 November 1989

1. Under General Assembly resolution 43/228 of 21 December 1988, the Secretary-General was authorized "to enter into commitments for the United Nations Disengagement Observer Force at a rate not to exceed $3,019,000 gross ($2,963,000 net) per month for the period from 1 June to 30 November 1989, inclusive, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 624 (1988), the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution". By Security Council resolution 633 (1989) of 30 May 1989, the mandate of UNDOF was extended for six months to 30 November 1989. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $18,114,000 gross ($17,778,000 net), representing commitments for UNDOF for the period from 1 June to 30 November 1989, was apportioned among Member States. The amount so apportioned (see sect. IV below) has now been appropriated by the Assembly under the terms of its resolution 44/187 of 21 December 1989.

B. Period from 1 December 1989 to 31 May 1990

2. By Security Council resolution 645 (1989) of 29 November 1989, the mandate of UNDOF was extended for another period of six months, that is, until 31 May 1990. Under the terms of resolution 44/187 of 21 December 1989, the General Assembly decided to appropriate to the Special Account an amount of $20,208,000 for the operation of UNDOF for the period from 1 December 1989 to 31 May 1990, inclusive. It further decided that there should be set off against the apportionment among Member States their respective share in the estimated income other than staff assessment of $6,500, and their respective share in the Tax Equalization Fund of the estimated staff assessment income of $503,500. These amounts have now been apportioned among Member States for the period from 1 December 1989 to 31 May 1990 and are shown in section V below. The apportionment was executed in three parts so as to take into account the provisions of General Assembly resolution 44/192 B of 21 December 1989.

C. Apportionment of the costs of peace-keeping operations

3. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States which were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States which were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

4. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group (c) would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

5. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

6. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNDOF. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 24 new Member States and the decisions contained in General Assembly resolutions 3374 (XXX) B of 28 November 1975 and 44/192 B of 21 December 1989. The percentage shares shown in sections IV and V demonstrate the results of the application of the scheme.

a/ Percentages are rounded to three decimals.

b/ United States share in staff assessment credit: $128,207.

c/ Owing to the gradual changes in group composition (resolution 44/192 B), the total assessment for these countries is arrived at by adding the totals shown in two groups, i.e., groups B and C for Spain and Poland and groups C and D for the Central African Republic, Equatorial Guinea, the Gambia, Mauritania, Myanmar, Sierra Leone and Togo.
